Contents

1	Introduction	1
2	Literature Review	2
3	Project Plan	3

Chapter 1

Introduction

Chapter 2

Literature Review

Describe the work that has already been completed that is relevant to the problem you are addressing. Some projects may need an additional section covering notation, key theories or other such technical information.

Chapter 3

Project Plan

Discuss the plan for the remainder of the project. Include a timeline. It is useful to define what success in your project will look like. You might be able to compare your system against existing systems.
